Dear Mr. Marzolf

This letter is to request the Wireless Services Board to grant authorization to the County of Buckingham to carry over unexpended wireless funds of \$60,513.16. The request is to carry over this fund for the Fiscal Year ending 2003.

Please approve these funds for the following categories:

Shared Equipment:	\$28,113.16
LEC	2,400.00
Personnel	30,000.00

Buckingham County will not have this program implemented in time to use these funds in the FY02.

Buckingham County has now hired a firm to implement the Enhanced 911 Wireline and Wireless Programs. The process of this implementation has now begun. This evening, the Buckingham County Board of Supervisors is interviewing applicants for the Enhanced 911 Coordinator and the equipment has been ordered.

Thank you for your consideration of this very important request.

Sincerely,

Rebecca S. Carter
